# Christian Koeppel

---

## Education

Medical Degree – Zurich, Switzerland (1979)

## Professional Experience

Christian underwent medical training in various hospitals in Switzerland. Together with his wife, Ursula, he has operated a private medical practice in a small town outside Zurich since 1986. He has co-founded two drug rehab centers and is the founder of an association of drug and rehabilitation experts. He has also been a partner in building a company since 2013. He is fluent in German, English, French, Italian, and Spanish.

## Personal Information

Christian married his wife, Ursula, in 1979, and together they have five daughters, ages 34, 31, 30, 28, and 23, and three grandchildren.
