

Layne Holdahl

Education

University of Minnesota-Twin Cities, Minneapolis, MN.

Professional Experience and Background

President of Holdahl Company, Inc. since 1997. Layne became involved in the family business in 1980 a small one location retailer and counter top manufacturer. Since that time the company has grown to six branches and is recognized as one of the leading privately held wholesale distributors in the country for their business segment. Based in Minnesota the company serves a six state region representing many of the finest lines in the wood working industry. These lines include Formica laminate and solid surfacing, Samsung Radianz Quartz, Rehau edge banding and surfacing, Blum, Knap and Vogt, 3M and ML Campbell to name just a few. Additionally Holdahl has begun establishing their own brands sourcing products from Europe and Asia. Holdahl Company. Gross sales for the company well exceed 50 times what they had been in the 1980's.

Layne has sat on a number of distributor council boards for manufacturers in the wood working industry.
