

## Mike Cooper

Manager, Remittance & Collection  
LG&E and KU Energy Services, LLC.

Education  
University of Kentucky  
BS in Accounting

Professional Experience  
LG&E and KU Energy Services, LLC.

### Background

Mike has spent over 34 years working in the electric and gas utility industry. Mike has experience in treasury operations, including corporate cash management, credit and consumer payment processing as well as business process integration. He also has international business experience, with E.ON A. G working on best practice teams with utilities from the United Kingdom, Germany and the Nordic region.

Since joining with Kentucky Utilities Company right out of college, Mike has grown and developed his responsibilities and leadership skills. He has moved from analyst and supervisor to managing the company short-term investing and borrowing to managing two large departments.

### Personal Information

Mike and his wife, Beverly, have five sons and four grandchildren.
