

# Stephen Tweed

## Education

Bachelor of Arts, Speech and Drama, Lock Haven University of Pennsylvania, Lock Haven, PA.

Master of Science, Communication, Clarion University of Pennsylvania, Clarion, PA.

## Professional Experience

Chairman, Board of Trustees, NSA Foundation (2009-present) – The NSA Foundation is the charitable arm of the National Speakers Association. The NSA Foundation provides support to speakers experiencing serious financial crisis due to illness, injury, or natural disaster. The foundation also provides scholarships for future speakers, research grants for exceptional college professors, and fund grants for not-for-profit organizations.

President, National Speakers Association (2002-2003) – The National Speakers Association is the largest professional society in the world for individuals who speak professionally. Based in Tempe, AZ, NSA represents more than 3,000 experts on a variety of topics and subject areas who speak professionally. NSA is a member of the Global Speakers Federation, representing national associations from countries around the world.

CEO, Leading Home Care (2002-present) – A leading provider of information and expertise on home healthcare in America, we work with companies that want to grow and with leaders who want to get ready for the future. We provide expertise through speaking, training, consulting, coaching, online assessments, online e-books and e-tools, audio tele-seminars, and video webinars.

Partner, Tweed Jeffries, LLC (1996-present) – We are professional speakers, authors, consultants, and executive coaches. We work with health care organizations and businesses that want to grow, and with leadership who want to get ready for the future.

Principal, Tweed Weber, Inc. (1991-1996) – Strategy, training, and consulting for the home health industry.

CEO, Tweed Corporation (1979-1990) – Planning, designing, and facilitating executive strategy retreats for companies in healthcare, banking, manufacturing, and retail sales. Speaking on strategy and future trends in healthcare and business.
